

Gadsden, Ala. – Riverview Regional Medical Center is now accepting applications for their annual scholarship program for registered nursing students. These new scholarships were established to benefit students in our community who are pursuing degrees in the nursing field.

Scholarships of up to \$13,000 will be awarded for the 2021-2022 academic year for a nursing student enrolled and accepted to an accredited nursing program. * Applications will be accepted twice this year to coincide with the Summer and Fall Semesters.

Preference will be given to students from Etowah County who demonstrate financial need.

Students must complete the [Riverview Regional Medical Scholarship Application](#) and submit a copy of their transcript. In addition, an essay describing the student's career goals is required.

Students must also submit two letters of recommendation. These letters may be from a principal, teacher, counselor, pastor, or any adult who can attest to the student's character. Letters may be mailed separately from the application packet to 600 South 3rd Street Gadsden, Alabama. Attn: Sandra Lee or emailed to: Slee17@primehealthcare.com

A completed application packet, as well as the letters of recommendation, for the Summer semester must be postmarked by March 1, 2021. The Fall Semester deadline is June 1st.

For more information, please contact Sandra Lee at slee17@primehealthcare.com or at 256 543 5457.

*All Scholarship recipients must commit to 3 years of continuous full time employment at Riverview Regional Medical Center upon graduation.
